SUMMER
collection

2024 SUMMER

We are happy to present to you the new SUMMER 2024 collection. It includes both latest trends and improved basic models that are always popular among our customers. Each collection is designed to be easy to mix and match to create versatile and stylish looks.

We strive that each model not only attracts attention with its stylish design, but also provides maximum comfort and safety for children. Therefore, we use only natural fabrics and dyes, and adhere to high European quality standards for the production of children's clothing.

Our goal is to interest and inspire the child.

We strongly believe that our clothes stimulate the imagination and creativity of little fashionistas and help them express their uniqueness every day.

Collection **Pop Candy**

The Pop Candy collection for girls is a real celebration of color and style! The basis of the color scheme is two shades of pink, which the designers borrowed from the Barbie palette, and also added bright yellow and black to them. The theme of the prints is made in the style of pop art: sweets, joyful rainbows and colorful inscriptions that lift the mood and brightly decorate the images. The main fabric of the collection is single jersey, which guarantees comfort and ease of movement. Modern models allow to create many unique looks of the day.

Collection **Fun Jungle**

Fun Jungle is a collection for boys dominated by an earthy palette of shades: brown, olive and ocher, with accents of white and graphite. The main theme is wild nature and cute animals that create a jungle atmosphere from a unique adventure cartoon. Models with modern and convenient designs and a free cut allow children to feel as comfortable and easy as possible, giving them the opportunity to enjoy the absolute freedom. For Fun Jungle, the designers chose single jersey for the base and high-quality cotton, lightweight french terry and denim for the shorts.

Collection **Sunny Funny**
The Sunny Funny collection is built on a combination of contrasting colors: yellow, white, graphite. The main pattern design with large-scale graphics makes simple models extremely spectacular and stylish. The achromatic aspect of the collection, due to laconic cheerful prints, looks very bright and sunny.

Collection **Summertime**
The Summertime collection is a mix of pastel colors that leave a pleasant aftertaste of marshmallows and ice cream. It is based on two pattern designs: a stripe pattern and an imitation of the tie-dye effect, popular among children and adults. Light girly colors in combination with simple sports silhouettes — an excellent solution for summer adventures. The collection assortment also includes comfortable cotton-fabric models that are a must-have in every girl's wardrobe.

Collection **Geometry**
The main feature of the collection is a clear geometry, as in the constructive lines of models as well as in the details of the decor. Graphic prints and the laconic cut makes children look like adults in this clothing collection. Monumentality and contrast in color combinations: light green with black and gray. The collection assortment allows you to choose many combinations for creating stylish looks for every day.
